OFFICIAL NOTICE

Apprentice Opportunity for the Inside Electrical Wireman Program

The Joint Apprenticeship & Training Committee offers a complete 5-year program incorporating on-the-job training and supplemental classroom related instruction for the Inside Electrical Wireman Program, and continues to accept applications from eligible applicants in accordance with its approved standards and selection procedure.

*Application must be filled out **IN PERSON** on the fourth Wednesday of the months shown on the next page, between the hours of 8:30 AM – 10:00 AM only at the:*

***Electrical Training Institute
6023 S. Garfield Avenue
City of Commerce, CA 90040***

The following documents must be provided at the time of application:

- 1. Valid Driver's License or other Government-issued Photo Identification***
(All applicants must be minimum of 18 years of age at the time of application)
- 2. Original High School Diploma or GED Equivalency***
- 3. Official, Sealed Transcripts showing one of the following:***
 - A. Two semesters of High School Algebra with a passing grade of "C" or better*
 - B. One semester of College Algebra with a passing grade of "C" or better or*
 - C. Successfully completed the NJATC On-Line Tech Math Course*
- 4. Original Social Security Card***
- 5. Must be a U.S. Citizen or meet INS requirements***

These must be in legal document form. Photocopies will be made and must remain in the applicant's file, with the originals being returned to the applicant. We invite you to visit our Web-site: www.laett.com for additional information and contact information.

The required written exam will begin on the same day immediately after the submission of applications. The exam is 1 ½ hours which covers mechanical reasoning, math and reading comprehension. A score of 70% or better is required to obtain a passing grade. A study guide for this exam is available at this facility for a nominal charge of \$15.00.

Upon completing the written exam with a passing grade the applicant will be scheduled for an Oral Interview with the Electrical Joint Apprenticeship Committee. The purpose of this interview is to evaluate and determine eligibility, and the proper period of apprenticeship for which the applicant qualifies. This evaluation procedure may consist of a Credit for Prior Experience exam (CPE), the oral interview, and any supportive documents submitted by the applicant to ascertain his/her skill level within the program. All applicants who complete the interview process will be eligible for this program subject to the needs of the industry.

All applications will be received and processed without regard to race, color, religion, national origin, or sex.

What is Apprenticeship?

Apprenticeship is a well-organized and supervised training method we use to enable people with little or no prior knowledge of our craft or trade to become qualified journeymen. It is an “earn while you learn program” as the on-the-job portion of the training is a full- time, well- paid job.

1. *The apprentices are employed under a union contract, which includes regular wage increases and diversified training.*
2. *You are paid good wages while you learn.*
3. *You will gain experience using the most modern practices.*
4. *You will work under the direction of a competent Journeyman who will teach you the trade in the shop and at the job-site. You will receive close personal attention.*
5. *You will attend classes during the day for a minimum of six (6) weeks per year to receive technical instruction related to our trade. You will not receive compensation during your class weeks, but you will be eligible for unemployment benefits. This is one reason for our high academic entrance requirements.*

Career Description

The Inside Electrical Construction Trade requires physical effort on the part of the apprentice to accomplish ladder and scaffold climbing, pulling, pushing, crawling, crouching, working in cramped and confined quarters, and lifting 25 to 50 pound objects on a fairly constant schedule. The individual must possess the ability to understand written and spoken English, and to closely follow specific instructions, especially safety directions. Inside Wiremen use many and varied hand and power-assisted tools to install conduit, wiring, fixtures, devices, and electrical apparatus within commercial, industrial and residential buildings.

We Are Selective

We are seeking men and women of all races who demonstrate the best character, aptitude, motivation, and traits conducive to success in our trade. Employers and union representatives who make up the JAC, interview all qualified candidates in an effort to select only the best candidates.

A good candidate is one with a record of having done well in school, especially in math and in science, one who has demonstrated reliability, possesses a sincere desire to succeed, and one who has a positive attitude and a desire to work hard. The electrical construction trade is an occupation requiring a high level of knowledge and skill which we teach to hundreds of successful, qualified, and fortunate individuals.

What Benefits Do I Gain if I Am Accepted?

- 1. An opportunity to learn a most respected trade in one of the most technical crafts of the building trades, and earn a good wage while you learn.*
- 2. An opportunity to become a member of the most respected and progressive Union in the Building and Construction Trades; The International Brotherhood of Electrical Workers.*
- 3. The opportunity to “earn” journeyman status and certification, which is recognized throughout the United States. Your journeyman ticket is security for yourself and your family for life.*
- 4. The opportunity to continue your education after you become a journeyman, for our industry has extension courses to teach various specialties of our trade, and keep you updated on the most modern technologies.*
- 5. The opportunity to earn an exceptional wage during your working life, and receive valuable benefits throughout your retirement.*

What is expected of me if I am selected?

- 1. Your commitment and dedication to a very valuable career.*
- 2. Your complete cooperation and willingness to learn.*
- 3. A desire for excellence in your classroom attendance and learning.*
- 4. Dependability at your on-the-job training assignment.*
- 5. A day's work for a day's pay*
